Hi Tony,

Sorry I missed your deadline.

Here's my contribution to the Weekly:

ORBA to Participate in Brazil Meeting with Business Members of the US Chamber of Commerce: On Thursday, Oct. 3, 2019, hosted by the US Chamber of Commerce, ORBA will represent EPA in a meeting with other US Government Agencies to answer questions from the business community on Brazil issues. The other agencies participating include, the National Security Council, USTR and the Departments of State, Energy, Commerce and Treasury. The business participants include an array of companies, including DHL, Exxon Mobil, Bayer, Pfizer, Apple and FedEx.

Thanks.

Cristina
